Throughout the fall and spring semester, the ladies of the Zeta Tau chapter have achieved a great deal of accomplishments.

At the District Leadership Conference (DLC) for District Two, we were awarded/ranked with excellence in scholarship, as well as recruitment and marketing.

At our campus's Greek Awards in March, our chapter was awarded gold in academics, bronze in service, and silver in sisterhood. One of our very own, Sister Ximena Perez, was awarded with the title of Greek Woman of the Year, which is by far the highest honor at our school's Greek Awards. She was also elected as Student Body President. We are so proud of her and all of her accomplishments!

- ZT_Ximena1: Zeta Tau sister Ximena Perez was honored with being named Greek Women of the Year.

In April, we hosted our annual Alpha Delta Pi's Got Talent to raise money for Ronald McDonald House Charities. Our philanthropy chair, Sister Sarah Scott Linch planned the entire event with the help of her committee. We had nine participants at the show. Kinetic Fever, a local dance group, won first place for their show-stopping performance. We raised a total of \$1,013.58!
